

Greetings!

Welcome to the Association of Educational Office Employees (AEOE) website. Our organization has proudly served educational office professionals, students, staff, and parents of the Los Angeles Unified School District since 1928. It is truly an honor to continue serving as president of this great and wonderful organization in 2026.

Like my predecessors, I enthusiastically embrace the responsibilities of this role and remain committed to following in their footsteps of exceptional leadership. I thank you for your continued membership and invite you to become an active participant in our association. We meet bi-monthly on Saturdays and would love for you to join us—sharing your experience, knowledge, talents, and ideas as we carry out our mission and vision together.

Our 2026 theme, “Sharing skills for success” “The Magic in Teamwork,” reflects the power of collaboration, unity, and shared purpose. When we work together, we create something greater than ourselves. Teamwork strengthens our organization, supports the growth of our members, and expands our ability to serve our communities. By motivating one another and uniting around common goals, we continue to make a meaningful difference.

We encourage you to take advantage of our professional development opportunities, trainings, and conferences. These experiences are designed to enhance your professional skills while also supporting your personal growth. Please explore our website and enjoy the many benefits available to you as a member of AEOE.

I am excited to continue working alongside our dedicated Board as we move our association forward in 2026. Our goals for the upcoming year include recruiting and strengthening active membership, encouraging new members to step into leadership roles within AEOE, and preparing to present the following awards at our Annual Scholarship Luncheon in April 2026:

- Awarding 103 scholarships to LAUSD college-bound students
- Awarding five scholarships to LAUSD Adult Education students
- Honoring a Classified Office Professional, a Classified Supervisor, and an Administrator of the Year
- Providing tuition and professional development reimbursements for our classified/AEOE members

We would love to enhance our organization with your knowledge, your time, your talents, and your ideas. We honor our past—and we need YOU in our future. Our scholarship programs have grown tremendously, and we welcome your support in scoring applications and assisting with final award selections. If you are interested, please email us at membersupport@aeoe-laUSD.org.

You are also invited to join us at our upcoming conferences for Office Professionals in 2026, including both state and national conference learning opportunities:

- the California Association of Educational Office Professionals Conference is set to be held in Temecula, California from March 19 through March 22, 2026.
- the National Association of Educational Office Professionals Conference, is set to be held in Portland, Oregon from July 12 through July 16, 2026.

I personally invite you to get involved in our organization. Please visit the Calendar of Events on our website or contact our office at (323) 725-7266 for more information. I look forward to meeting you at one of our upcoming events.

My best wishes for a successful 2026 school year. Together, through *sharing skills for success (the magic in teamwork)*, we will continue to thrive.
